

MAKE WAVES WITH YOUR MOOMBA

With the most standard features in the industry, you'll already have everything you need to own your day on the water. But that doesn't mean you have to stop at the standards. Customize your Moomba with our list of add-on features to make your Moomba yours.

Skier's Choice reserves the right to change model line specifications, equipment, color schemes and pricing at any time without notice or incurring obligations. It is the Dealer's responsibility to adhere to all State and Local regulations and laws governing minimum requirements needed on each boat, such as trailer brakes, kill switches, and other safety equipment.

Safety
Skier's Choice encourages all boating participants to learn and follow safe boating practices. There are risks associated with boating and water sports activities.
